Dear Sir

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the above named subject. I am sorry to hear that you are not satisfied with the result of the examination. I have been very anxious to see that all the necessary precautions were taken, and I am sure that the result was as fair as possible. I have no objection to your making such use of the facts as you may think proper, and I am sure that you will be able to show that the result was as fair as possible. I am, Sir, very respectfully,  
Yours truly,  
J. H. [Signature]

Dear Friend.

141 I have just received  
a line from Lucy Stone  
saying she has heard that  
the Cholera has broken  
out in our City.

There is no truth in  
the report. I pray you  
let her know that our  
City was never more  
healthy — that she  
may not fail to come  
for she is already ad-  
vertised —

Yours Truly  
S. J. May.
